

## CARNIVAL OF VIAREGGIO - TUSCANY

00004

Toscana - Lucca - Viareggio

TRATTATIVA RISERVATA

## February 2024

Since 1873, the tuscan Viareggio Carnival has been a famous cultural heritage in Italy and around the world, celebrating creativity, art and traditions with paper mache masters who use satire in spectacular allegorical works. These allegorical wagons are among the largest in the world and the artists create them all year-round, often inheriting skills from previous generations.
