## PESARO, THE CITY OF ROSSINI AND MUSIC, IS ITALIAN CAPITAL OF CULTURE FOR 2024

### DISCOVER THIS WONDERFUL CITY TOGETHER WITH YOUR GROUP

Pesaro, Capital of Culture 2024, is an unparalleled cultural journey. Overlooking the Adriatic, this city reveals an architectural gem with a rich Renaissance heritage: museums, libraries, churches, theaters, villas, and stately palaces.

The connection with Gioachino Rossini, the illustrious son of Pesaro, permeates the atmosphere. His music becomes the soundtrack of a unique experience, where art merges with architectural beauty. Pesaro, with the title of Capital of Culture in 2024, offers events, concerts, and exhibitions that celebrate Rossini's musical genius and the cultural richness of the city.

The bicycle becomes the perfect means to comfortably explore Pesaro's treasures, from the bike subway connecting different areas with colorful paths, to the cycle path along the Foglia river, revealing the local flora and fauna just outside the city.

In this perspective, the proposal strikes the right balance between nature, culture, and technology. Pesaro presents itself as an extraordinary destination for a journey that nourishes the soul. An invitation to immerse oneself in the beauty of the Capital of Culture 2024, where Rossini's legacy intertwines with the vibrancy of a city rich in artistic and architectural treasures.
